

CigarsMag.com was established in order to create the ultimate database directory for Cigars. Most of the people that start smoking a Cigar, doesn't realize the added value of it. **CigarsMag.com** has the most important features to serve the Cigar lovers and the potential to be...

Our database contains more than 2,000 different cigars descriptions and opinions from the professionals. The searchable database is featured with detailed information including each cigar tobacco country, factory, origin, manufacture, wrapper type, wrapper color, filler, binder, size, style, shape, gauge, length, format, ring, weight, presentation and more. You are able to look for your cigar by country, by brand, by size or by any other characteristics.

CigarsMag.com also contains detailed articles, daily stories, fresh news, cigar ratings, picture of the week - and our girl of the week...

We wish you a pleasant time in our site and hope you'll benefit the best of it.
